

## *Harry Lee Fisher*

*Resident of Aptos, CA*

*Harry Lee Fisher, 65, died on Saturday, July 5, 2014, after losing his fight with liver disease.*

*A devoted family man, Harry will always be remembered as the treasured husband of Karen Fisher; the loving father of Nichole Fisher, of Monterey; and the wonderful son of Katherine Fisher, of Aptos, and of Harry Fisher, who preceded his son in death.*

*Harry graduated from JFK High School in Barstow, California where he was the first student body president of the new school. He was a talented architectural and construction designer who taught himself how to use AutoCAD. He spent over 25 years of his professional career with Orchard Supply Hardware, designing new and remodeling older stores. Wanting to work closer to home, he found employment at West Marine as construction drafter in store design. His reputation for attention to detail preceded him wherever he went.*

*Harry was known for his keen wit and great sense of humor. He enjoyed tinkering with anything mechanical or electronic (like remote control vehicles), converting his LP record collection to digital recordings, cooking and barbecuing, and keeping his red Jeep Wrangler spotless.*

*Harry will be deeply missed by all who knew and loved him. The family requests any donations be made to American Liver Foundation at [liverfoundation.org](http://liverfoundation.org).*

*Celebration of Life will be held Sunday July 27, 2014 from 2PM – 4PM at Aptos Village Park 100 Aptos Creek Road, Aptos, CA.*
