

# *Angela Gaines*

*December 11, 1959 – February 10, 2019*

Angela Gaines was born December 11, 1959 to the proud parents of Walter and Clovia Gaines, now deceased, at Kyushu Air Force Base, Ashiya, Japan. The family moved to Barstow, CA in 1964. She was Baptized at Union Missionary Baptist Church in 1967. As an adult she moved around, but eventually settled in Barstow.

Angela attended John F. Kennedy High School. During her senior year the greatest upset of all times occurred. JFK and Barstow High merged and thus seniors were uprooted and had to graduate from Barstow High.

Angela was a very hard worker, she had her own business as a window cleaner and she had just been approved for the In-Home Supportive Services to work with disabled patients.

Angela loved to meet new people. She was very outgoing and outspoken; she knew and was known by many.

Angela leaves to mourn:
