

Betty Lynn Stonesifer Loeffler

Obituary

Betty Lynn Stonesifer Loeffler August 14, 1958 - January 3, 2015

Betty (Stonesifer) Loeffler peacefully left us to be in the arms of the Lord at Waterman Nursing Center, surrounded by her family, after battling cancer for an unknown length of time, being diagnosed December 25, 2014. Betty was born in Victorville, California to Jack and Genie Stonesifer, but spent most of her years growing up in Barstow attending Montara Elementary and graduating from Kennedy High. Betty was an amazing woman with a heart of gold, overflowing with compassion and kindness, willing to offer help wherever needed. Her love of music, especially Elvis, kept her rocking through life with an unexplainable enthusiasm and joy. When she smiled or laughed it was nothing but contagious, you couldn't help but laugh with her. Betty will undoubtedly be missed by many, but will live on forever in our hearts and memories. Betty is survived by her daughter Lindsay Loeffler, mother Eugenia (Genie) Stonesifer, sister Glenda Barnett, brother Jack Stonesifer Jr., sister-in-law Linda Stonesifer. She is also survived by three nieces, one nephew, four great nieces and nephews, along with many more relatives and numerous friends spreading across the High Desert. Betty's family would like to give a heart-felt thank you to the Waterman Nursing Center staff that worked with Betty, especially her RN Remy-James Martin, and the Charter Hospice staff. She was preceded in death by her husband John J. Loeffler, her father Jack Stonesifer Sr., and her brother Donald Stonesifer (USMC). A Celebration of Betty's Life is to be held on Saturday, January 24, 2015 at the Ramada Inn located at 1511 East Main St. in Barstow from 12 pm to 4 pm.
